(Effective model year 2020)

Avalon & Tahoe Mfg., Inc. (hereinafter "A&T"), makes this limited warranty. This written statement of limited warranty represents the entire warranty authorized and offered by A&T.

WHO IS COVERED, TRANSFERABILITY

Except as set forth below, this warranty is extended only to the original retail purchaser (the "Owner"), and only if the original purchaser has completed the online warranty registration at www.avalonpontoons.com/cwr within 30 days of purchase of the boat from an authorized Avalon or Tahoe Dealer. This warranty is transferable within ten (10) years from the date of original purchase. Completion of a warranty transfer and payment of a transfer fee is required through an authorized A&T dealer. Warranty periods are not extended upon transfer to a second owner, and warranty coverage periods are measured from the date of original retail purchase. A&T reserves the right to reject any warranty transfer request for a boat that has been damaged, neglected, or is otherwise ineligible for warranty coverage.

WHAT IS AND IS NOT COVERED

This limited warranty covers significant defects in materials and workmanship supplied by or performed by A&T. This limited warranty provides coverage for the A&T manufactured pontoon boat, as well as electronics and other accessories manufactured by others, but installed by A&T prior to shipment to your A&T dealer. This warranty does not cover electronics or accessories manufactured by others and installed by your A&T dealer, you or anyone else. For products including, but not limited to, electronics originally manufactured by others but installed by A&T, the warranty from the component manufacturer shall be the primary warranty coverage for its duration and this warranty will only apply to the time period, if any, after expiration of the component manufacturer's warranty. Applicable warranties may be found in the product owner's packet, or by contacting the component manufacturer's Customer Service Department or website. Engines, stern drives, engine control systems, engine gauges, engine system display monitors, propellers, steering controls, batteries and trailers are excluded from this warranty. The sole and exclusive warranty for all such excluded components is from the manufacturer of those components.

Failure of any product or component caused by inadequate cleaning, improper cleaning procedures, improper cleaning agents, accident(s), freezing, storms or other Acts of God, negligence or faulty maintenance procedures is expressly excluded from this warranty.

HOW TO GET LIMITED WARRANTY SERVICE

To obtain warranty service, take your boat to the A&T dealer where you originally purchased your product, or another authorized A&T dealer, or another warranty service facility designated by A&T, and have a warranty claim submitted to A&T. If you or your dealer have moved, or if you desire to change dealers, contact A&T Warranty Service Dept., 903 Michigan Ave., Alma, Michigan 48801, Phone: (989) 463-2112, Fax: (989) 463-8226 for the name of an A&T dealer near you. Your claim must be made in writing and submitted within thirty (30) days of the discovery of the defect and also within the warranty period. Failure to timely submit a claim in writing, waives the claim. You must provide proof of current ownership when making a claim.

WHO PERFORMS LIMITED WARRANTY SERVICE

The A&T dealer where you originally purchased your boat can usually perform warranty work for you. If that A&T dealer cannot perform the service work, they should call A&T's Warranty Service Department for assistance. If you are unable to visit your original A&T dealer, contact A&T, 903 Michigan Ave., Alma, Michigan 48801, for the name and location of an A&T dealer near you. In some instances, A&T may require that the boat or certain parts be returned to the A&T manufacturing facility in Alma, Michigan for warranty service. Costs incurred for transporting the boat and/or parts to and from A&T and/or dealer are the responsibility of the Owner.

DISPUTE RESOLUTION - MANDATORY BINDING ARBITRATION

By accepting A&T's Limited Warranty, the Owner acknowledges that they will not be able to bring a lawsuit for any warranty disputes relating to the boat. Instead, the Owner agrees to resolve any and all disputes in accordance with this paragraph, which includes mandatory arbitration which is binding upon both A&T and the Owner. If you are unable to resolve a disagreement with your dealer regarding your right to pursue warranty coverage for a needed repair, contact the A&T Warranty Service Department. If a dispute about warranty service arises between A&T and you, the disagreement will be resolved through binding arbitration under the United States Federal Arbitration Act, as amended. This mandatory arbitration provision shall apply to any and all disputes involving economic damages arising out of your purchase and use of an A&T product, including all tort claims, statutory claims and contract theories. The locale for any in-person arbitration hearing shall be in Gratiot County, Michigan, or any county adjacent thereto. We will consent to your attending by phone, video conference or other means that does not require your physical attendance, should you choose not to attend in-person. The expenses of any arbitration will be split evenly between you and A&T.

CHOICE OF LAW

This warranty shall be governed exclusively by, and construed exclusively in accordance with, the internal laws of the State of Michigan without reference to the choice of law or conflict of law principles thereof. By accepting this warranty, Owner agrees that all claims against A&T relating to or arising out of your purchase of the boat, whether sounding in contract, tort or otherwise, shall likewise be governed exclusively by the laws of the State of Michigan without reference to the choice of law or conflict of law principles thereof. To the extent any action is permitted in a court of competent jurisdiction, such action shall take place exclusively in the state or federal courts sitting in Gratiot County, Michigan, or any county adjacent thereto, the parties hereby waiving any claim or defense that such forum is not convenient or proper.
