# PLAYBUOY SUPREME

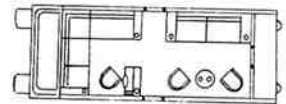

Top of the line. Luxurious. The cutting edge of innovative and unique pontoon design. From its exclusive laminated sidewalls, to its oak trim accents, the Supreme combines supreme power with supreme style. Thick, all-weather carpeting combines with plush aluminum-framed furniture in an extensive variety of floor plans. The 24-foot and 28-foot models are available with the powerful 3.0 liter, 125-hp MerCruiser stern drive, the ideal combination for power and economy.

# PLAYBUOY The Features that Add Up to Superior Boating Pleasure...

Playbuoy designs and builds all of its aluminum hard tops on site to ensure a strong, safe, high quality structure. Playbuoy's unique upright hard top design allows for easy raising and lowering in a matter of seconds.

The 32-Sq. Ft. fully-upholstered Sundeck (standard with stern drive models) is large enough to accommodate two adults - a beautiful way to catch some rays.

Luxurious, color-keyed, all-weather upholstered furnishing is handmade at our own facility to ensure quality. A broad variety of furniture floorplans allow you to customize your Playbuoy for your precise needs.

Supreme 24- and 28-foot models can be ordered with the 125-horsepower MerCruiser stern drive. Four-cylinder economy plus the instant surge of power you'll need for responsive skiing and towing.

The Playbuoy captain's console features attractive, color-keyed upholstery, pedestal captain's chair, and instrumentation you can customize to your needs. Shown is the optional MerCruiser Stern Drive instrumentation package, which adds deluxe instrumentation.

Exclusive laminated, solid-core sidewalls on the Supreme offer high-strength, insulation, streamlined styling, three doors for easy entry, and new, eye-catching color graphics for 1991.

Playbuoy's exclusive anti-spray nosecones feature double-wall construction to provide a safe, dry ride.

# PLAYBUOY YACHTSMAN DELUXE

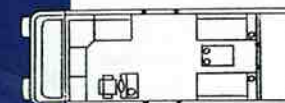

Okay, no compromises. You want a mid-range pontoon that possesses high quality, a strong list of features, and an honest price. Meet Playbuoy Yachtsman. A variety of floor plans allow you to customize the interior to create the boat of your dreams.

Three lengths allow you to customize power to your needs, from a standard out-board configuration to a serious cruising 125 hp MerCruiser stern drive, optional on the 24- and 28-foot models.

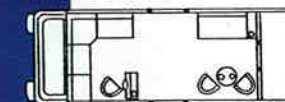

Mid-range doesn't mean middle-of-the-road furnishings either. Pictured is the A-C Plan furniture with handsomely upholstered swivel bucket seats and roomy wrap-around rear seating.

# PLAYBUOY SPORTFISHER

Time for some serious fishing - time for the Playbuoy Sportfisher. Whether it's early-morning angling, gliding among the lily pads, or a day of trolling with downriggers, the Sportfisher is bred to offer complete fishing and cruising comfort.

Although designed for rugged use, the Sportfisher doesn't skimp on comforts. You get a folding, color-coordinated easy-up Bimini top, two removable fishing chairs, built-in rod holders, pre-wiring for trolling motors, and an upholstered captain's stand with attached livewell and stern bench seating. The Sportfisher is built for either fresh or salt water use - and for a day of fishing or family cruising. Both the 16- and 20-foot models include three entry doors for boarding convenience, and extended, full-length decks, great for casting and angler's equipment.

# PLAYBUOY FISH 'N FUN

An entirely new Playbuoy model for 1991 - and a new concept in pontoon fun. Remember that family dispute that kept you from buying a pontoon, whether to get a family fun cruiser or a fishing boat? Make peace by checking out the new Fish 'N Fun. Generous with features, and ideal for a day of family sun and fun or serious fishing. Deluxe wraparound furniture, deluxe bucket captain's seat, console, and plush marine carpeting guarantee comfort. But there's also an aerated livewell, rod holders and four swivel fishing seats to make the Fish 'N Fun a competent fishing craft.

# PLAYBUOY EAGLE

Who except Playbuoy would offer a price-leading pontoon craft with this level of quality? While other manufacturers strip down boats to offer the cheapest possible model, Playbuoy packs its price leader to give you the most possible boat for the least possible money. Even our most basic

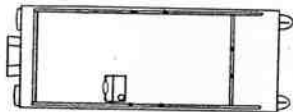

Eagle includes captain's stand, full-length deck, anti-spray nosecones, anodized rails and uprights, plush color-coordinated carpet, graphic accents, and three wide entrance doors. Our Eagle feature package includes the above,

plus Bimini top, captain's chair, a full-back bench seat, flip-flop seat, two benches, and a table. Every pontoon should be so stripped!

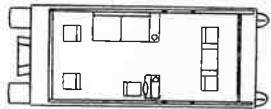

The Eagle is also equipped for fishing action, for a complete fun package at a price the competition can't touch.
