

Playbuoy

2000

Boating for the next millennium

Motor Pod

.125" thickness with integrated splash fin. 2" thick aluminum sheathed transom is fully welded-not bolted. The entire pod is supported by five crossbeams.

Hat Stringers

Four times stronger! These heavy duty 1/4" thick bars provide the extra strength needed for today's heavier motors.

Aluminum Seat Frames and Kick Panels

Clearly superior. Lifetime Warranty. Aluminum seat frames won't rot like wood. Won't crack or hold water like plastic. Extra large compartments provide the largest under seat storage.

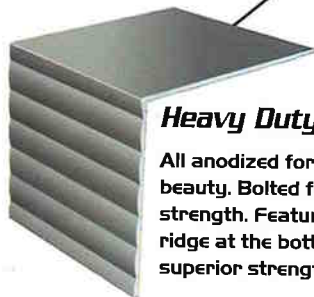

Pontoon Tube

.080" thickness H5052 aircraft aluminum alloy. Multi-baffled near each weld for maximum strength and air lock. Hand-welded to rigid standards. Neatest welds in the industry. Available in standard 22", 23" or 24" diameter.

Wall Skins

Heavy duty wall skins feature the Silencer Strip™ on all edges for the quietest walls. Wall skins are lock stripped into the horizontal and vertical supports, then braced. The result is the most durable, quiet wall available!

Heavy Duty Rub-Rail

All anodized for lasting beauty. Bolted for maximum strength. Features new "L" ridge at the bottom for superior strength.

5 Year Acrylic Bimini Top

Seat Fabric

The strongest and easiest to clean. Super-Life™ Vinyl has a 12 mil top layer with a 30 oz. overall weight. Treated with UV inhibitor and Bioguard to resist fade and mildew. Three year limited warranty.

Side Keel Protection

Special welded side keels protect against damage from side impact.

Playbuoy Quality

Playbuoy

Wall Railing

The best in the business! 1.25" across and .090" thickness horizontal and vertical rails. Playbuoy features more vertical support rails than any other. All rails are completely anodized for lasting beauty and corrosion prevention.

Floor Drains

Floor drains will allow water to quickly drain out, but won't let rainwater and dirt in under the rails when the boat has its mooring cover on.

U-Bar

Exclusive 1.25" thick U-Bar is strategically placed at the very front of the deck for impact resistance.

Bow Eye

Reinforced stainless bow eye provides excellent strength for haulout.

3/4" Flooring

The thickest and heaviest flooring used in the industry. This state-of-the-art, injection treated, 7-ply, marine flooring features a lifetime limited warranty.

Multi Density Seat Cushions

The perfect comfort level is achieved by combining different densities of foam. Unlike other manufacturers, we produce our own furniture right at our plant.

MERCURY
The Water Calls

Ask your dealer about Mercury packages with your boat and trailer.

Nose Cone

The absolute strongest in the industry. The one-piece construction makes it virtually impossible to break off a splash fin. The double wrapped leading edge provides maximum impact protection. The entire cone is tapered and inserted in the tube for even more strength.

The award winning Marquise 27' Flagship! - Join those who have chosen the luxury pontoon with the most dazzling futuristic design, the absolute best quality and the most luxurious comfort of any Pontoon Craft. Revel in the expanded interior of the Marquise 27' Flagship. Feel the richness of designer diamond carpet. Immerse yourself in the sumptuous comfort of its furniture. Fish N' Fun—"The Worlds Greatest Fishing Pontoon"! Now with Playbuoy's exclusive futuristic radius design! The Playbuoy Fish N' Fun not only provides everything you want in a fishing pontoon, it is also a beautiful, spacious and fully loaded luxury cruising pontoon. Unlike most fishing pontoons, Fish N' Fun provides true comfort with deluxe seating you would normally find only on luxury cruising models. And if fishing is your passion, then Fish N' Fun is ready for you. Fish from four fishing stations, save your catch in one of the two standard livewells, and stow your tackle in the built in tackle box. This true family oriented fishing craft comes with more standard features than any in it's class. Go ahead and take the whole family. Everyone can enjoy your new Fish N' Fun!

Fish N' Fun 20' Tradition

The Challenger is clearly the quality and comfort leader today and in the future. It's exciting radius front walls, deep and precision designed seating, as well as it's rear entry gate make the Challenger the all around favorite for your family. Not only is the Challenger a beautiful and comfortable boat, it's one tough built boat. Heavy-duty 1 1/4" wall railings, 24" diameter pontoons, all aluminum seat frames, and a warranted acrylic Bimini top are just a few of the high quality standard features. And it doesn't end there. You also get a cooler, dock lights, and a fiberglass helmstand including Gold Bezel instrumentation and stereo. Challenger is the exciting new tradition for the new millenium.

Relaxation, warm breezes, enjoyable comfort, and the sound of the water are the Tropical inspirations for Playbuoy Calypso. You will feel the relaxation of a Tropical Island when you own a Calypso pontoon. Calypso is the perfect pontoon boat for most. Beautiful and well crafted, this boat comes with the standard features you need, but not so many that they crowd your island. Full seating is standard and includes a comfortable doublewide captain's loveseat. A stereo, gauges, fuel tank and rear sun pad are also standard. Simple pleasures and family fun are to be enjoyed on your terrific Calypso.
