

Tahoe

"Bring the family together."

2002

Pontoon Boats

Motor Pod

.190" thickness with integrated splash fin. 2" thick aluminum sheathed transom is fully welded. The entire pod is supported by heavy duty C channels.

Aluminum Seat Frames and Kick Panels

Clearly superior. Lifetime warranty. Aluminum seat frames won't rot like wood. Won't crack or hold water like plastic. Extra large compartments provide the largest under seat storage.

All Classic Models Feature 5 Year Premium Acrylic Bimini Top

Exclusive Dry Storage Netting

Tahoe features the latest way to store your supplies! Tahoe's exclusive, double level storage system allows you to place your coats, purse, snacks and other items in the exclusive hanging netting. Then place anchors, skis, and other durable items under the net. It's a great feature!

Pontoon Tube

.080" thickness H5052 aircraft aluminum alloy. Multi-baffled near each weld for maximum strength and air lock. Hand-welded to rigid standards. Neatest welds in the industry. Available in standard 23", 24" & .110 thickness 27" diameter.

1

Full Riser

All pontoons are connected to the frame with full risers. Full risers are beautiful, provide continuous strength along the pontoon, and provide better performance by keeping the water from rolling over the pontoon.

Wall Skins

Heavy duty wall skins feature the Silencer Strip™ on all edges for the quietest walls. Wall skins are strip locked into the horizontal and vertical supports, then braced. The result is the most durable, quiet wall available!

Heavy Duty 4" Rub-Rail

All anodized for lasting beauty. Bolted for maximum strength.

Finger Guards

Exclusive Side Keel Protection

Special welded side keels protect against damage from side impact.

4 Stainless Steel Cleats

Tahoe Classic Quality

"The Superior Pontoon Boat."

Seat Fabric

The strongest and easiest to clean. Super-Life™ Vinyl has a 12 mil top layer with a 33 oz. overall weight. Treated with UV inhibitor and Bioguard to resist fade and mildew. Three year limited warranty.

Multi Density Seat Cushions

The perfect comfort level is achieved by combining different densities of foam. Unlike other manufacturers, we produce our own furniture right at our plant.

Secure Grip Wall Railing

The best in the business! Ribbed 1.25" across and .090" thickness horizontal and vertical rails. Tahoe features more vertical support rails than any other. All rails are completely anodized for lasting beauty and corrosion prevention.

Wall Spacers

Wall rails are raised to allow drainage while cleaning and ventilation while stored.

Plush Custom Sculptured 28 oz. Carpeting is Standard on all Classic Models!

Bow Eye

Reinforced stainless bow eye provides excellent strength for haulout.

The Best Crossbeam and Deck Construction

Tahoe Classic pontoons feature the latest in heavy-duty hull construction. 3" high, very thick "C" channel crossbeams are bolted to the full riser with heavy duty Stainless bolts nuts and washers. Then 3/4", pressure injected, 7 ply lifetime flooring is bolted to the crossbeams using superior grade stainless steel elevator bolts secured permanently with stainless nylock lock nuts and washers.

Tahoe Pontoons Are Available In 7 Exciting Colors!

Hunter Green, Sage, Teal, Champagne, Purple, Burgundy, Blue

MERCURY
The Water Calls

Ask your dealer about Mercury packages with your boat.

Nose Cone

The absolute strongest in the industry. The one-piece construction makes it virtually impossible to break off a splash fin. The double wrapped leading edge provides maximum impact protection. The entire cone is tapered and inserted in the tube for even more strength.

Special Edition

The Traditional High Quality Tahoe Pontoon design is now available to you as a specially priced package of features and quality! Introducing the Tahoe Special Edition Series! Designed to offer more value than any other pontoon line on the market.

Tahoe Special Edition models feature superior construction, including features like aluminum frame seating, unbreakable nose cone fins, and .090 wall railings that are simply not found on most competitive models.

Vista and Blue Ridge Special Edition models feature this quality construction bundled with a long list of standard features, (normally optional on most competitive models), to create the most beautiful, well equipped, and affordable pontoon boat you can own.

If you want high quality in a more basic, even more affordable Special Edition, we offer that, too. Choose a well built, no frills, full size Cascade or a 7' wide Sport model. These fully furnished models provide you with a quality boat that you can customize to your own needs.

All S.E. models are available with many standard pleasure or fishing interiors.

So, take advantage of the tremendous value offered in the Special Edition series. You will experience years of enjoyment on your new Tahoe Pontoon Boat.

SE Construction Features

- 3/4" Lifetime Marine Flooring
- 1 1/4" Anodized .090 Gauge Wall Railings
- .080 Gauge H5052 Top Grade Aluminum pontoons
- Protective Bottom Keel
- Strongest Nose Cone with Integrated Splash Fin
- Heavy Duty Crossbeams
- 1 1/4" Thick U-Bar Brace Across the Front of the Boat
- Extruded Aluminum Risers
- Heavy Duty Anodized 3" Rub Rail
- Lock Stripped Walls with Silencer Foam Insulation
- Deluxe .125 Gauge Motor Pod with Splash Fins
- Lifetime Warranted Aluminum Seat Frames
- 33 oz. Vinyl Upholstery with UV Inhibitors & Biocide 3 Year Warranty
- Marine Seat Foam with Plastic Barrier
- 20 oz. Diamond Textured Carpet
- Fiberglass Helm Stand Base

Motor Pod

.125" thickness with integrated splash fin. 2" thick aluminum sheathed transom is fully welded-not bolted. The entire pod is supported by five crossbeams.

Multi Density Seat Cushions

The perfect comfort level is achieved by combining different densities of foam. Unlike other manufacturers, we produce our own furniture right at our plant.

Pontoon Tube

.080" thickness H5052 aircraft aluminum alloy. Multi-baffled near each weld for maximum strength and air lock. Hand-welded to rigid standards. Neatest welds in the industry. Available in standard 22", 23", or optional 24" diameter.

Deluxe Bimini Top

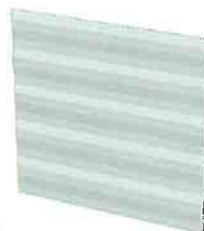

Fiberglass Helm Stand Base

For lasting beauty.

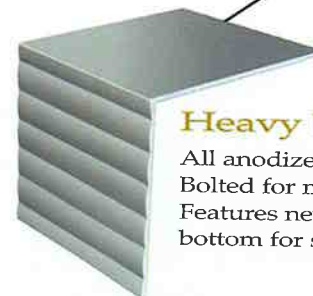

Heavy Duty Extruded Riser

All pontoons are connected to the frame with heavy extruded risers bolted to the crossbeam with 3/8 SST bolts.

Wall Skins

Heavy duty wall skins feature the Silencer Strip™ on all edges for the quietest walls. Wall skins are strip locked into the horizontal and vertical supports, then braced. The result is the most durable, quiet wall available!

Heavy Duty Rub-Rail

All anodized for lasting beauty. Bolted for maximum strength. Features new "L" ridge at the bottom for superior strength.

Tahoe S.E. Quality

Aluminum Seat Frames and Kick Panels

Clearly superior. Lifetime Warranty. Aluminum seat frames won't rot like wood. Won't crack or hold water like plastic. Extra large compartments provide the largest under seat storage.

Seat Fabric

The strongest and easiest to clean. Super-Life™ Vinyl has a 12 mil top layer with a 33 oz. overall weight. Treated with UV inhibitor and Bioguard to resist fade and mildew. Three year limited warranty.

Wall Railing

1.25" across and .090" thickness horizontal and vertical rails. Tahoe features more vertical support rails than any other. All rails are completely anodized for lasting beauty and corrosion prevention.

Floor Drains

Floor drains will allow water to quickly drain out.

Stainless Steel Eye Bolt

Bow Eye

Reinforced stainless bow eye provides excellent strength for haulout.

U-Bar

Exclusive 1.25" thick U-Bar is strategically placed at the very front of the deck for impact resistance.

Nose Cone

The absolute strongest in the industry. The one-piece construction makes it virtually impossible to break off a splash fin. The double wrapped leading edge provides maximum impact protection. The entire cone is tapered and inserted in the tube for even more strength.

Bottom Keel Protection

Special welded keels protect against damage from impact.

Lifetime 3/4" Flooring

The thickest and heaviest flooring used in the industry. This state-of-the-art, injection treated, 7-ply, marine flooring features a lifetime limited warranty and is attached with durable, self-tapping fasteners.

Custom Colors

SE models are available in 7 different color choices. Purple and blue are also available with sun color accents.

Tri Toon

Give your boat more lift and buoyancy with a Tri Toon version of your chosen model!

Only available when factory installed.

HIGH PERFORMANCE PONTOONS

(Available only when factory installed)

Lay the throttle down and make your High Performance Pontoons turn your boat into a faster, more versatile family boat. These superior High Performance Pontoons are uniquely designed to give your boat performance on demand. But at slower speeds they do not affect your boat's ability to retain the luxurious pontoon ride you expect. High Performance Pontoons are available on Twin or Center Tube models as a factory installed option only. High Performance Pontoons work best on 20' and longer boats when powered by 90 Hp and above.

TAHOE INTERIOR OPTIONS!

When a model is ordered with a specific interior option, the boat retains it's normal standard features for that model along with the following interior changes:

PRIVACY STATION

Standard on Summit and Grand Tahoe.
Available on most other models (Except Sport)

Stbd rear corner has pop-up privacy station in lieu of rear entry gate with ladder or full rear bench.

REAR ENTRY

Standard on Sierra, Aspen and Alpine. Available on most other models (Except Sport)

Stbd rear corner has rear entry gate and ladder in lieu of pop-up privacy station or full rear bench.

FULL REAR BENCH

Standard on Vista, Blue Ridge, Cascade and Sport
Available on all other models.

Stbd rear corner has full rear bench in lieu of pop-up privacy station or rear entry gate with ladder.

ELITE

Available on most models (Except Cascade, Sport, or any 16' or 18' models)

Furniture is moved forward, a side privacy station is added, and a rear entry gate with ladder is standard. Starboard gate may be eliminated on some models.

REAR FISH

Available on most models (Except Sport, or any 16' or 18' models)

Furniture is moved forward, a mid boat privacy station is added, a mid boat fuel compartment and livewell are added, 2 rear fishing stations are added, rod box and tackle box are added.

FISH N FUN

Available on most models (Except Summit, Cascade, Alpine, and Sport, or any 16' or 18' models)

Furniture is moved forward, bow benches are removed, a mid boat privacy station is added, a mid boat fuel compartment and livewell are added, 2 front fishing stations and 2 rear fishing stations are added, rod box and tackle box are added, front livewell is added, trolling plug is added. A corner bench is added to the 24' model. All Fish & Fun boats feature round front walls.

ANGLER

Available on most models (Except Grand Tahoe, Summit, Sport or any 16' model)

Furniture is moved forward, bow benches are removed (except some 24' models), 2 front fishing stations and 2 rear fishing stations are added, helmstand livewell is added (EXCEPT 18' - LIVEWELL UNDER BENCH), trolling plug in storage box is added, 2 large storage boxes are added at the rear, built in 12 gal tank replaces 24 gallon where applicable. All Angler boats feature round front walls.

FISH

Available on most models (Except Summit)

Remove bow benches, add 2 fishing stations, add livewell under bench.

CENTER CONSOLE FISH

Only available on 18' & 20' Cascade, and on 16' & 18' Sport

Straight rear bench, livewell under flip flop (under bow fish chair on Sport), captain's stand in center, flip-flop captain's chair (fishing captain's chair on Sport)

ANGLER TWO

Only available on 18' & 20' Alpine & Cascade.

Benches are removed, 2 side flip-flop seats are added, flip-flop captain's chair is used, 4 fish chairs, 2 rear storage boxes. Livewell in port front flip flop.

PATIO

Patio interior available at additional cost. Available only on Classic 24' and 25' models.

Front walls are extended to the front of the boat and 2 deluxe chairs are placed in the open area, a side privacy station is added, and a rear entry gate with ladder is standard. Bow benches are modified.

Walk On Hard Top

Enclosure
(22' - 27' models only)
