Bring the family together.

Dear customer,

Thousands of families like yours are already experiencing the quality, excitement and pleasure of owning a Tahoe pontoon boat. For over 25 years our dedicated boat building family has been creating boats that provide family memories that will be cherished for generations. Your family's happiness in your pontoon boat is our only business, your family's satisfaction is our pledge. Allow us to proudly offer you the most attractive, highest quality and best value pontoon boats you can own.

The Tahoe Pontoon Boat Family

Tahoe

PONTOONS®

Classic Series

To make the best pontoon boat available, it is necessary to commit all of your resources to that end. Our total commitment to producing the finest pontoon boats in the world has resulted in the Classic Series. Classic Series models are the best constructed, best designed, and best equipped pontoon boats available. The Classic Series pontoon boats will exceed your expectations by incorporating not only the construction and features you expect, but many exclusive features not found elsewhere. You need not compromise. You have found the better boat.

PONTOONS®

Special Edition Series

The traditional high quality Tahoe pontoon design is available to you as the nation's most popular specially priced package of features and quality! This Great Family pontoon boat is designed to offer more value than any other pontoon line in the U.S.A!

Tahoe Special Edition models feature superior construction, including features like aluminum frame seating, unbreakable nose cone fins, and .090 wall railings that are simply not found on most competitive models.

Vista and Blue Ridge Special Edition models feature this quality construction bundled with a long list of standard features, (normally optional on most competitive models), to create the most beautiful, well equipped, and affordable pontoon boat you can own.

If you want high quality in a more basic, even more affordable Special Edition, we offer that, too. Choose a well built, no frills, full size Cascade or a 7' wide Sport model. These fully furnished models provide you with a quality boat that you can customize to your own needs.

All SE models are available with many standard pleasure or fishing interiors.

So, take advantage of the tremendous value offered in the Special Edition series. You will experience years of enjoyment on your new Tahoe pontoon boat.

HIGH PERFORMANCE PONTOONS

(Available only when factory installed)

Lay the throttle down and make your High Performance Pontoons turn your boat into a faster, more versatile family boat. These superior High Performance Pontoons are uniquely designed to give your boat performance on demand. But at slower speeds they do not affect your boat's ability to retain the luxurious pontoon ride you expect. High Performance Pontoons are available only on Center Tube models as a factory installed option only. High Performance Pontoons work best on 20' and longer boats when powered by 90 Hp and above.

TAHOE INTERIOR OPTIONS!

Product illustrations and data within this catalog are based upon information available at the time of publication. Tahoe reserves the right to make changes without notice or obligation. Ask your local Tahoe dealer for the most current product specifications prior to purchase. Some of the equipment shown separately or on products illustrated in this catalog may be optional at extra cost. Tahoe is a member in good standing of the National Marine Manufacturer's Association (NMMA). All Tahoe boats meet or exceed the standards established by this organization under the NMMA certification program. NMMA establishes standards for flotation, fuel systems, ventilation, electrical and safety.
