Avalon

LUXURY PONTOON BOATS

Quality beyond compare. Amenities that you never expected.

Our total commitment to making the finest pontoon boats in the world has brought you the all new Avalon Pontoons. These luxurious boats are a beautiful composition of the finest elements known to pontoon boating, along with over 30 years of pontoon boat manufacturing experience. The finest construction, the most luxurious designs, and the largest group of unique standard features create a distinctly different and clearly superior pontoon boat that will exceed your expectations. There is no need to compromise; you have found the luxury pontoon boat you were looking for.

Heavy-Duty 10' Bimini Top

Featuring 1 1/4" framing and 5 year Top Gun fabric.

Exclusive Dry Storage Matting

Avalon's exclusive removable matting keeps your supplies high and dry with no place for water to collect. Remove it for easy vacuuming and cleanup. "It's a great feature."

Finger Guards

For your safety.

Multi-Density Seat Cushions

The perfect comfort level is achieved by combining different densities of foam. Unlike other manufacturers, we produce our own furniture, right at our plant.

Secure Grip™ Wall Railing

The best in the business! Ribbed 1.25" across and .090" thickness horizontal and vertical rails. Avalon features more vertical support rails than any other. All rails are completely anodized for lasting beauty and corrosion prevention.

Wall Spacers

Wall rails are raised to allow drainage while cleaning and flow thru ventilation during storage.

Heavy-Duty Bow "C" Channel

For maximum resistance to impact.

The Best Crossbeam and Deck Construction

Avalon pontoon boats feature the latest in heavy-duty hull construction. 3" high, extreme thickness "C" channel crossbeams are bolted to the full riser with heavy-duty stainless bolts, nuts, and washers. Then 3/4", pressure injected, lifetime guaranteed flooring is bolted to the crossbeams using superior grade stainless steel bolts secured permanently with stainless nylock lock nuts and washers.

Bow Eye

Reinforced stainless bow eye provides excellent strength for haul-out.

Plush Custom Sculptured 28 oz. Carpeting is Standard on all Avalon Models!

Avalon Pontoon Boats Are Available In Many Exciting Colors!

(See back page for color chart.)

Full Riser

All pontoons are connected to the frame with full risers inside and outside. Full risers are beautiful, provide continuous strength along the pontoon.

Heavy-Duty 4" Rub Rail

All anodized for lasting beauty. Bolted for maximum strength.

One Piece Fiberglass Helmstand

4 Stainless Steel Cleats & Lifting Eye Assemblies

(Excalibur features front pop-up cleats.)

World's Strongest Nose Cone

The absolute strongest in the industry. The one-piece construction makes it virtually impossible to break off a splash fin. The double wrapped leading edge provides maximum impact protection. The entire cone is tapered and inserted in the tube for even more strength.

Reflective Striping

For your safety.

Exclusive Side Keel Protection

Avalon models offer the security of welded side keels. They protect your boat against damage from side impact.

Excalibur

Forged by Craftsmen for Elite Class Luxury and Strength...

The New Avalon Excalibur is the most exquisite pontoon boat ever made. Excalibur's unique design featuring sweeping radial fore and aft walls and radial deck encompassing a fabulous interior is the finest example of pontoon design ever. Feel the richness of Excalibur's simulated leather designer furnishings as they swirl around in a unique pattern to create comfort zones that engulf your passengers in sumptuous pleasure. Revel in its custom designed plush overstuffed reclining commander's chair. Enjoy a virtually endless array of amenities including a built-in wine rack, hideaway cup holders, wood grain dash and steering wheel, GPS graph, high power waterproof Sirius capable CD stereo, built-in dock bumpers, plush 28-ounce carpeting, mood lighting and much more. The Excalibur's construction is the finest as well. Expertly welded pontoons are secured to the heaviest "C" channel crossbeams and permanently secured with the strongest stainless steel bolts. The heavy duty motor bracket is double bolted to withstand the weight and power of the most demanding motors. Extra tall 1 1/4" wall railings give more security, the extended length 10' Top Gun bimini top is constructed with strong 1 1/4" support bars. Avalon Excalibur synthesizes all of these features to bring you strength, beauty and exclusive features not found anywhere else. Allow Excalibur to reflect your commitment to the best lifestyle on the water.

Paradise

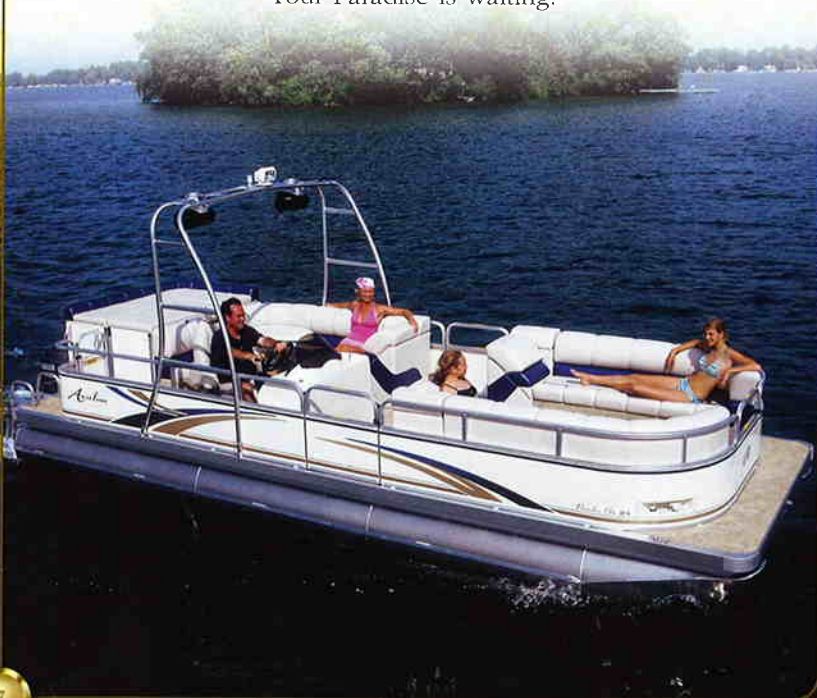

The New Legend in Top of the Line Class Pontoons...

Avalon by legend was an island paradise to which King Arthur was taken to spend eternity. No more appropriate name could be given to this luxurious pontoon. Your "Paradise" on the water begins with features only found on Avalon pontoons. The beautiful modern radial front walls surround an interior filled with unique comfortable furnishings featuring our exclusive Matrix 50 marine vinyl. Matrix 50 is made especially for Avalon to be the most durable, long-lasting, expanded vinyl available. This plush seating rests on Avalon's exclusive heavy duty ventilated dry storage aluminum seat frames. The luxurious overstuffed reclining Commander's chair was specially designed and constructed to give Avalon owners maximum comfort. Paradise also features beautiful lounge arms that include a built-in wine rack and optional trash container or dock bumpers. Sink your toes into Avalon's custom patterned, deep, 28-ounce carpeting. The Paradise Captain's stand with wood grain dash and steering wheel features numerous exclusives including GPS graph, gold gauges, and waterproof Sirius capable stereo. Like all Avalon models, Paradise features the best construction available. Expertly welded pontoons secured to the heaviest "C" channel crossbeams with the strongest stainless steel bolts. A double bolted heavy duty motor bracket. An extra length 10' bimini top constructed with heavy duty 1 1/4" support bars. This is the fine pontoon you have been seeking.

Your Paradise is waiting.

Somerset

The Finest Deluxe Class Pontoon.

The Somerset provides you with the most exciting, feature packed traditional design luxury pontoon you can buy. The wide body 8' 6" design provides an enormous amount of interior space. Somerset's extra tall 1 1/4" wall railings provide a more secure riding area. The standard extra length 10' bimini top constructed with heavy duty 1 1/4" support bars provides maximum shade. The spacious front deck allows for easy access or lounging while the boat is docked. Your family will love Somerset's beautiful but durable famous designer furniture featuring exclusive Matrix 50 marine expanded vinyl. Lay in comfort on the beautiful lounge arms that include a built-in wine rack. Add to this the longest list of standard features in its class. A GPS graph, Mooring cover, Sirius capable high power CD stereo, built-in dock lights plus many more standards you won't find anywhere else. Because the Somerset is an Avalon model, all of its beautiful furniture and standard features come mounted on the industry's strongest framework.

High Performance Rules!

Get A Pontoon With An Attitude!

High Performance Pontoons

Lay the throttle down and make your High Performance Pontoons turn your boat into a faster, more versatile family boat. When you equip your boat with the Center Tube System (CTS) and the High Performance Pontoons (HPP) you get a setup uniquely designed to give your boat performance on demand. Your roomy CTS/HPP equipped pontoon can be the versatile watercraft that everyone can agree on. There's no need to compromise, a CTS/HPP equipped model allows you to pull skiers, inner tubes and wakeboards with ease*, but at lower speeds CTS/HPP does not affect your boat's ability to maintain the luxurious pontoon ride you expect.

If you simply need more buoyancy and HP capacity you can equip your boat with the CTS only.

CTS and CTS/HPP are only available as a factory installed option, CTS/HPP works best on 20' and longer models equipped with 90 HP and above.

Optional hydraulic steering is recommended for 115 HP and larger.

*When equipped with adequate Horsepower

(Available only when factory installed)

- New Herringbone multi-directional stretch backing promotes quicker recovery
- Greater stitch strength

Wall Spacers

Wall rails are raised to allow drainage while cleaning and ventilation while stored.

U-Bar

Exclusive 1.25" thick U-Bar is strategically placed at the very front of the deck for impact resistance.

Bow Eye

Reinforced stainless bow eye provides excellent strength for haul-out.

20 oz. Diamond Textured Carpet 5 Year Limited Warranty!

Custom Colors

Playbuoy models are available in many different color choices. (See back page for color chart.)

Aluminum Seat Frames and Kick Panels

Clearly superior. Lifetime warranty. Aluminum seat frames won't rot like wood. Won't crack or hold water like plastic. Extra large compartments provide the largest under seat storage.

Finger Guards

For your safety.

Captain's HelmStand

Beautiful and durable.

Deluxe Bimini Top 5 Year Limited Warranty!

Quiet Wall Skins

Heavy-duty wall skins feature the Silencer Strip™ on all edges for the quietest walls. Wall skins are strip-locked into the horizontal and vertical supports, then braced. The result is the most durable, quiet wall available!

Heavy-Duty Extruded Riser

All pontoons are connected to the frame with heavy-duty extruded risers bolted to the crossbeam with 3/8" SST bolts.

Superior Quality Pontoon Tube

.080" thickness H5052 aircraft aluminum alloy. Multi-baffled near each weld for maximum strength and air lock. Hand-welded to rigid standards. Neatest welds in the industry. Available in standard 22", 23", or optional 25" diameter.

Bottom Keel Protection

Special welded keels protect against damage from impact.

Heavy-Duty Rub Rail

All anodized for lasting beauty. Bolted for maximum strength. Features new "L" ridge at the bottom for superior strength.

Wall Railing

1.25" across and .090" thickness horizontal and vertical rails. Playbuoy features more vertical support rails than any other. All rails are completely anodized for lasting beauty and corrosion resistance.

Reflective Striping

For your safety.

4 Stainless Steel Cleats and Lifting Eye Assemblies

Lifetime 3/4" Flooring

The thickest and heaviest flooring used in the industry. This state-of-the-art, injection treated, marine flooring features a lifetime limited warranty and is attached with durable, self-tapping fasteners.

Motor Pod

.125" thickness with integrated splash fins. 2" thick aluminum sheathed transom is fully welded. The entire pod is double bolted and supported by five heavy-duty crossbeams.

World's Strongest Nose Cone

The absolute strongest in the industry. The one-piece construction makes it virtually impossible to break off a splash fin. The double wrapped leading edge provides maximum impact protection. The entire cone is tapered and inserted in the tube for even more strength.

Multi-Density Seat Cushions

The perfect comfort level is achieved by combining different densities of foam. Unlike other manufacturers, we produce our own furniture, right at our plant.
