PONTOON BOATS

2006

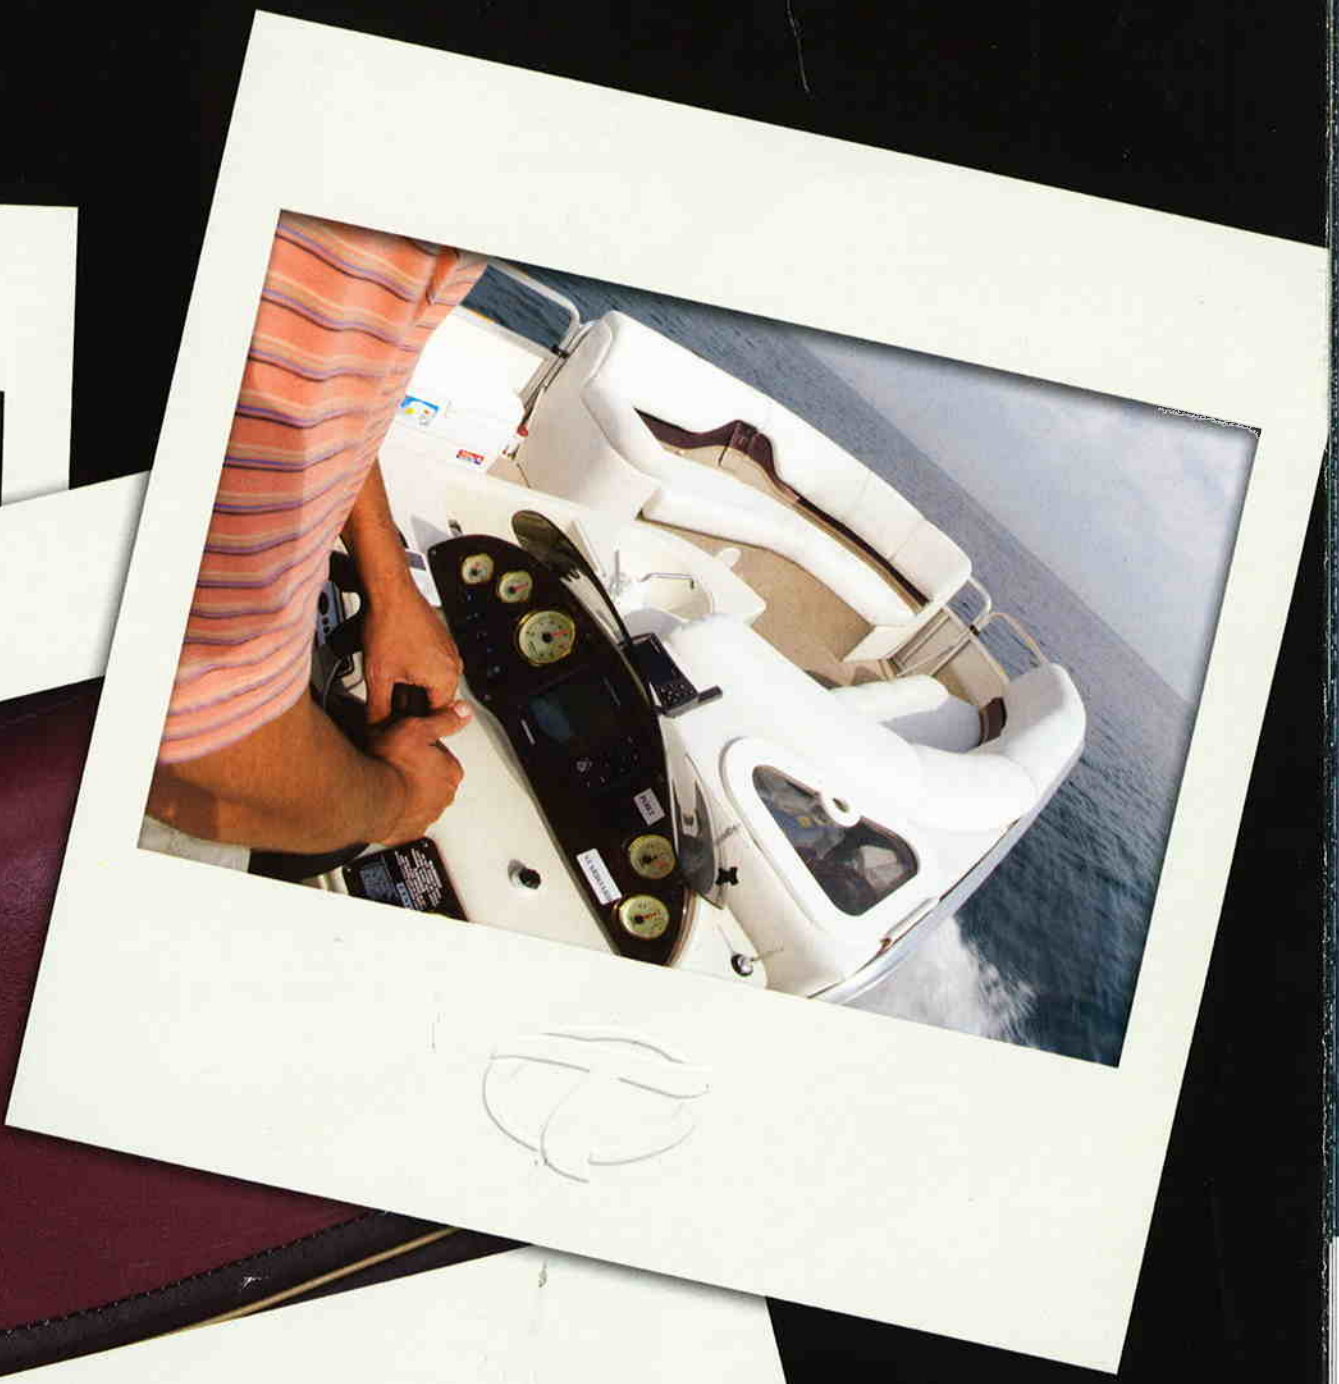

More than you expect, more than you are used to

More than you expect, more than you are used to.

Dear Customer

Thousands of families like yours are already experiencing the quality, excitement and pleasure of owning a Tahoe pontoon boat. For over 30 years our dedicated boat building family has been creating boats that provide family memories that will be cherished for generations. Your family's happiness in your pontoon boat is our only business, your family's satisfaction is our pledge. Allow us to proudly offer you the most attractive, highest quality and best value pontoon boats you can own.

The Tahoe
Pontoon Boat Family

TAHOE Classic Series

To make the best pontoon boat available, it is necessary to commit all of your resources to that end. Our total commitment to producing the finest pontoon boats in the world has resulted in the Classic Series. Classic Series models are the best constructed, best designed, and best equipped pontoon boats available. The Classic Series pontoon boats will exceed your expectations by incorporating not only the construction and features you expect, but many exclusive features not found elsewhere. You need not compromise. You have found the better boat.

ALUMINUM SEAT FRAMES AND KICK PANELS

Clearly superior. Lifetime warranty. Aluminum seat frames won't rot like wood. Won't crack or hold water like plastic. Extra large compartments provide the largest under seat storage.

SECURE GRIP™ WALL RAILING

The best in the business! Ribbed 1.25" across and .090" thickness horizontal and vertical rails. Tahoe features more vertical support rails than any other. All rails are completely anodized for lasting beauty and corrosion prevention.

FINGER GUARDS

For your safety.

PLUSH CUSTOM SCULPTURED 28 OZ. CARPETING IS STANDARD ON ALL CLASSIC MODELS!

FLOOR MATTING UNDER SEAT TO KEEP GEAR DRY

THE BEST CROSSBEAM AND DECK CONSTRUCTION

Tahoe pontoon boats feature the latest in heavy-duty hull construction. 3" high, extreme thickness "C" channel crossbeams are bolted to the full riser with heavy-duty stainless bolts, nuts, and washers. Then 3/4", pressure injected, lifetime guaranteed flooring is bolted to the crossbeams using superior grade stainless steel bolts secured permanently with stainless nylock lock nuts and washers.

WALL SPACERS

Wall rails are raised to allow drainage while cleaning and ventilation while stored.

BOW EYE

Reinforced stainless bow eye provides excellent strength for haul-out

TAHOE PONTOON BOATS ARE AVAILABLE IN MANY EXCITING COLORS!
(See back page for color chart.)

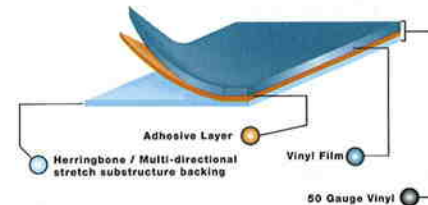

ALL TAHOE PONTOONS FEATURE

Tested Strongest

VINYL CHARACTERISTICS:

- New! 50 gauge vinyl with a 24% substructure is stronger, less likely to tear and will not puncture like traditional expanded
- New Herringbone multi-directional stretch backing promotes quicker recovery
- Greater stitch strength

America's Best Pontoon Warranty

Grand Tahoe 23' RE

SIERRA Classic

Sierra is the exceptional top end model. Sierra's Classic construction quality takes pontoon construction to the next level. The motor mount is stronger, the crossbeams are thicker, the pontoon nose cones are virtually unbreakable, the heavy duty 10' bimini top has a 5 year warranty, and that is just the beginning. The radius walls and tested strongest matrix 50 vinyl plush interior give you the beauty of the industry's latest designs. The abundance of included features simply can't be found standard anywhere else, the dash is fully equipped and even includes a standard GPS. You have found the exceptional boat you were looking for.

AspenCLASSIC

ASPEN Classic

The Aspen has a wonderful combination of beauty, quality and features. Aspen's sporty design is mounted on the industry's strongest framework. The wide body 8'6" design provides an enormous amount of interior space. It's radically new trend setting design furniture is the freshest look for 2006. Add to this the longest list of standard features including GPS, mooring cover, CD stereo, built-in dock lights plus many more standards you won't find anywhere else. Have a party, ski, tube and get the family together, your new Aspen can do it all.

- Aluminum Decking

High Performance Rules!

Lay the throttle down and make your High Performance Pontoon turn your boat into a faster, more versatile family boat. When you equip your boat with the Center Tube System (CTS) and the High Performance Pontoon (HPP) you get a setup uniquely designed to give your boat performance on demand. Your roomy CTS/HPP equipped pontoon can be the versatile watercraft that everyone can agree on. There's no need to compromise, a CTS/HPP equipped model allows you to pull skiers, inner tubes and wakeboards

with ease*, but at lower speeds CTS/HPP does not affect your boat's ability to maintain the luxurious pontoon ride you expect. If you simply need more buoyancy and H.P. capacity you can equip your boat with the CTS only. CTS and CTS/HPP are only available as a factory installed option, CTS/HPP works best on 20' and longer models equipped with 90 H.P. and above. Hydraulic steering is recommended for 115 H.P. and larger.

*When equipped with adequate Horsepower

WORLD'S STRONGEST NOSE CONE

The absolute strongest in the industry. The one-piece construction makes it virtually impossible to break off a splash fin. The double wrapped leading edge provides maximum impact protection. The entire cone is tapered and inserted in the tube for even more strength.

QUIET, EXTRA THICK WALL SKINS

Heavy-duty wall skins feature the Silencer Strip™ on all edges for the quietest walls. Wall skins are strip-locked into the horizontal and vertical supports, then braced. The result is the most durable, quiet wall available!

HEAVY-DUTY EXTRUDED RISER

All pontoons are connected to the frame with heavy-duty extruded risers bolted to the crossbeam with 3/8" SST bolts.

DELUXE BIMINI TOP 5 YEAR LIMITED WARRANTY!

MOTOR POD

.125" thickness with double splash fins. 2" thick aluminum sheathed transom is fully welded. The entire pod is double bolted and supported by five heavy-duty crossbeams.

MULTI-DENSITY SEAT CUSHIONS

The perfect comfort level is achieved by combining different densities of foam. Unlike other manufacturers, we produce our own furniture, right at our plant.

ONE PIECE CAPTAIN'S HELMSTAND

Beautiful and durable.

ALUMINUM SEAT FRAMES AND KICK PANELS

Clearly superior. Lifetime warranty. Aluminum seat frames won't rot like wood. Won't crack or hold water like plastic. Extra large compartments provide the largest under seat storage.

VINYL CHARACTERISTICS:

- New! 50 gauge vinyl with a 24% substructure is stronger, less likely to tear and will not puncture like traditional expanded
- New Herringbone multi-directional stretch backing promotes quicker recovery
- Greater stitch strength

SUPERIOR QUALITY PONTOON TUBE

.080" thickness H5052 aircraft aluminum alloy. Multi-baffled near each weld for maximum strength and air lock. Hand-welded to rigid standards. Neatest welds in the industry. Available in optional 25" diameter.

FINGER GUARDS

For your safety.

WALL SPACERS

Wall rails are raised to allow drainage while cleaning and ventilation while stored.

20 oz. DIAMOND TEXTURED CARPET 5 YEAR LIMITED WARRANTY!

CUSTOM COLORS

Tahoe models are available in many different color choices. (See back page for color chart.)

BOTTOM KEEL PROTECTION

Special welded keels protect against damage from impact.

U-BAR

Exclusive 1.25" thick U-Bar is strategically placed at the very front of the deck for impact resistance.

BOW EYE

Reinforced stainless bow eye provides excellent strength for haul-out

America's Best Pontoon Warranty

Warranty Duration	Items Covered
Lifetime Warranty*	PTP Flooring, Seat Frames, Transom, Pontoon Structure, Crossbeams
5 Year Warranty*	Bimini Top, Mooring Cover, Carpet, Seat Vinyl
1 Year Warranty*	All other components manufactured by Tahoe

* All warranties are subject to the specific terms, conditions, and limitations set forth in the warranty agreement. See owners manual for details.

HEAVY-DUTY RUB RAIL

All anodized for lasting beauty. Bolted for maximum strength. Features new "L" ridge at the bottom for superior strength.

WALL RAILING

1.25" across and .090" thickness horizontal and vertical rails. Tahoe features more vertical support rails than any other. All rails are completely anodized for lasting beauty and corrosion resistance.

REFLECTIVE STRIPING

For your safety.

4 STAINLESS STEEL CLEATS AND LIFTING EYE ASSEMBLIES

LIFETIME 3/4" FLOORING

The thickest and heaviest flooring used in the industry. This state-of-the-art, injection treated, marine flooring features a lifetime limited warranty.

SE-B models are available in 5 different configurations to meet your family's fishing style. Most SE-B models come packed with fishing specific features including 2 or 4 fishing stations with rod holders and cup holders, Livewells, rod boxes, tackle trays, a fish finder and more! Most models feature privacy rooms and sundecks as well. SE-B models make great family cruising boats too! Each model features a boarding ladder, CD stereo, Docking lights and Plush comfortable furniture mounted on upholstered aluminum frames.
