LUXURY PONTOON BOATS 2007

# LUXURY & STRENGTH

**QUALITY BEYOND COMPARE. AMENITIES THAT YOU NEVER EXPECTED.**

Our total commitment to making the finest pontoon boats in the world has brought you the exciting new Avalon Pontoons. These luxurious boats are a beautiful composition of the finest elements known to pontoon boating, along with over 30 years of pontoon boat manufacturing experience. The finest construction, the most luxurious designs, and the largest group of unique standard features create a distinctly different and clearly superior pontoon boat that will exceed your expectations. There is no need to compromise. You have found the luxury pontoon boat you were looking for.

**A Worlds Strongest Nose Cone**  
The absolute strongest in the industry. The one-piece construction makes it virtually impossible to break off a splash fin. The double wrapped leading edge provides maximum impact protection. The entire cone is tapered and inserted in the tube for even more strength.

**B Industry's Strongest double Bolted Motor Pod**  
.190 thickness with integrated splash fins. 2" thick aluminum sheathed transom is fully welded. The entire pod is double bolted and supported by heavy-duty "C" channels.

**C Quiet, Extra Thick Wall Skins**  
Heavy-duty wall skins feature the Silencer Strip™ on all edges for the quietest walls. Wall skins are strip-locked into the horizontal and vertical supports, then braced. The result is the most durable, quiet wall available!

**D Superior Quality Pontoon Tube**  
.080" thickness H5052 aircraft aluminum alloy. Multi-baffled near each weld for maximum strength and air lock. Hand-welded to rigid standards. Neatest welds in the industry. Available in optional 27" diameter.

**E Heavy-Duty .0190 Anodized Extruded 4" Rub Rail with Dock Bumper**  
All anodized for lasting beauty. The bumper and heavy construction provide outstanding protection.

**F Convenient Light in the Engine Compartment**

**G Heavy-Duty 10' Bimini Top**  
Featuring 1 1/4" framing, 5 year Top Gun fabric and transport brackets.

**H Finger Guards**  
For your safety.

**I Full Riser**  
All pontoons are connected to the frame with full risers inside and outside. Full risers provide continuous strength along the pontoon.

**J Reflective Striping**  
For your safety.

**K Bow Eye**  
Reinforced stainless bow eye provides excellent strength for haul-out.

**L One Piece Captain's Helmstand**  
Beautiful and durable.

**M 4 Stainless Steel Pop-up Cleats**

**N Wall Spacers**  
Wall rails are raised to allow drainage while cleaning and ventilation while stored.

**O Exclusive Side Keel Protection**  
Special welded keels protect against damage from impact.

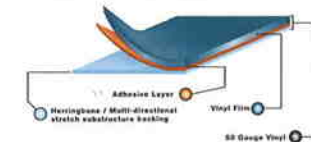

**P Stainless Steel Corner Castings**  
Beautiful and durable. Helps prevent expensive damage.

**Q Plush Custom Sculptured 28 oz. Carpeting is Standard on All L Series Models**

**R Custom Colors**  
Avalon models are available in many different color choices. (See back page for color chart.)

**S MATRIX 50**  
Tasted Strongest

- Exclusive 50 gauge vinyl with a 24% substructure is stronger, less likely to tear and will not puncture like traditional expanded
- New Herringbone multi-directional stretch backing promotes quicker recovery
- Greater stitch strength

**T GPS**  
New Garmin Color In-Dash Combination GPS, Fishfinder and GPS Speedometer with map chip capability.

**U Floor Matting Under Seat to Keep Gear Dry**

**V Aluminum Seat Frames & Kick Panels**  
Clearly superior. Lifetime warranty. Aluminum seat frames won't rot like wood. Won't crack or hold water like plastic. Extra large compartments provide the largest under seat storage.

**W Secure Grip™ Wall Railing**  
The best in the business! Ribbed 1.25" across and .090" thickness horizontal and vertical rails. Avalon features more vertical support rails than any other. All rails are completely anodized for lasting beauty and corrosion prevention.

**X The Best Crossbeam and Deck Construction**  
Avalon "L" Series pontoon boats feature the latest in heavy-duty hull construction. 3" high, extreme thickness "C" channel crossbeams are bolted to the full riser with heavy-duty stainless bolts, nuts, and washers. Then 3/4", pressure injected, lifetime guaranteed flooring is bolted to the crossbeams using superior grade stainless steel bolts secured permanently with stainless nylock lock nuts and washers.

# L SERIES CONSTRUCTION

Yamaha's T60 Four Stroke features a high gear ratio and unique Dual Thrust propeller designed to deliver up to twice the thrust of comparable two stroke outboards. Ask your dealer about Yamaha packages with your boat.
