LIFETIME LIMITED*
TRANSFERABLE STRUCTURAL WARRANTY

For noncommercial use, single engine equipped boats
(10 year limited nontransferable structural warranty for non-commercial use,
TWIN ENGINE EQUIPPED BOATS)

**LIFETIME WARRANTY INCLUDES: Pontoons, crossbeams, seat frames,
motor mounts, wood decking, and rail structure**

10 Year Limited* Transferable bow to stern warranty on
all other components on your boat

** Warranty applies to 2020 model boats. See dealer for full warranty information
including limitations and exclusions.*

CONSTRUCTION | Exclusive High-Quality Features

You won't have to deal with mildew or fungus with Tahoe's exclusive Flo Thru Ventilation™ Seating. Unlike plastic seating, our exclusive aluminum seat frames have external and internal air flow that dries out the seat compartments while moving and even when the boat is stored!

Our exclusive aluminum seat frames have 30 percent more storage than conventional plastic seat frames. Try putting all this in plastic seat storage!

Easy to clean, beautiful external wall.

Plug-N-Play electrical connections

Exclusive side protector keel – protects pontoon from side impact at docks, provides a spray diversion and makes pontoon structure stronger.

One-piece nose cone has heavy-duty double-wrapped, double-thickness .200 leading edge.

Integrated nose cone splash fins cannot be broken off! Fins have welded edge guard.

Tahoe's unique suspension seat cushions provide soft comfortable cushions that don't bottom out on a hard support surface

Tahoe's exclusive Matrix 50 heavy-duty 50 oz. marine seat covering with a 24 percent substructure is tested strongest against tears and punctures.

- New Herringbone multi-directional stretch backing promotes quicker recovery
- Greater stitch strength
- Permaguard stain protection

Heavy-duty rub rail with rubber bumper.

Reflective wall stripe makes boat easier to see at night.

Heavy-duty, stylishly designed, seat frame cladding eliminates fabric covering and provides a vented, beautiful accent to Tahoe's Deco designs

Heavy-duty deck corner protection.

Solid frame includes double solid full risers and double bolted motor pod all connected with double bolted hat channel crossbeams plus bow and stern .250 U bars.

VERTICALLY INTEGRATED
90% of Boat is Made In-house

ADVENTURE |

Tahoe is the only manufacturer who truly puts their products to the ultimate test! The Atlantic Ocean, the Pacific Ocean, the Gulf of Mexico, the Caribbean Sea, Lake Superior, Lake Michigan, the Mississippi... *need we say more?*

Key West to the Dry Tortugas - 2009

Baltimore to Key West - 2004

Tampa to Cuba - 2017

Los Angeles to Catalina Island to San Diego - 2014

Retracing the final voyage of the Edmund Fitzgerald on Lake Superior - 2018

450 Miles. 24 Hours. 1 Tahoe.

Chicago to Mackinac Island - 2005

Ft. Lauderdale to Bimini Bahamas - 2006

Enjoy the details of all these great adventures at www.tahoe pontoons.com

THE ART OF THE PONTOON

MORE THAN JUST A GREAT BOAT

- 2019 Michigan Manufacturer of the Year!
- The only pontoon manufacturer to take multiple endurance trips across some of the most challenging waterways in the world!
- The FIRST ever pontoon boat to pace an offshore powerboat race. 2785 Grand Tahoe ELW powered by Twin Mercury 450's - Official Pace Boat of Roar Offshore Powerboat Races, October 2019!
- The first winner of the NMMA Innovation award for an aluminum pontoon boat!
- A perennial winner of the NMMA CSI Award!
- One of the few privately owned pontoon boat manufacturers that knows and respects our customers and dealers!
- One of the largest vertically integrated boat manufacturing facilities in the world!

The NMMA-Certified label on a Tahoe pontoon boat lets you know it was built to meet, and often exceed, the industry's strictest quality and safety standards for critical components, such as electrical systems, powering, flotation, fuel systems, and navigation lights. Certified boats must also pass rigorous annual inspections from independent third-party inspectors. According to U.S. Coast Guard statistics, NMMA-Certified boats have been shown to be safer than non-certified boats.

Dimensions, capacities, ratings, and additional specifications plus complete warranty and service information are available from your Tahoe dealer. Product illustrations and data within this catalog are based upon information available at the time of publication. Tahoe reserves the right to make changes without notice or obligation. Ask your local Tahoe dealer for the most current product specifications prior to purchase. Some of the equipment shown separately or on products illustrated in this catalog may be optional at extra cost. All Tahoe boats meet or exceed the standards established by the ABYC and USCG flotation, fuel systems, ventilation, electrical, and safety.

Tahoe's superior innovation and customer satisfaction is recognized by the NMMA CSI AWARD for 2008 through 2019 and the Marine Industry 2012 Innovation Award!
