

Normal Care: Clean regularly! Brush Off dirt and hose down thoroughly. Clean with solution of mild soap and warm water, **not** hot water. Clean with soft bristle brush or garden hose. **DO NOT** use a powerwasher. Rinse thoroughly with cold water and air dry. This process will easily remove most stains. **DO NOT USE DETERGENTS!**

Stubborn Stains/Mildew: Mix 1/2 cup of non-chlorine bleach, 1/4 cup mild soap and a gallon of warm water, apply with spray bottle **directly** on topping(avoid overspray) let set for 20 minutes, then scrub lightly with soft bristle brush. Rinse thoroughly with cold water and air dry.

Always store tops clean and dry!
